

Step 1: CAMPUS		Step 2: DELIVERY MODE	Step 3: INTERACTION MODE	Step 4: INSTRUCTION METHOD
Where are the students receiving instruction?		What percent of scheduled class time is taught face-to-face?	How is the majority of distance portion of scheduled class time taught?	Code
<b>On-Campus</b> Main Campus – Blacksburg (0)	<b>Face-to-Face</b>	Student receives instruction in a space located on-campus. <b>The instructor and student interact in the same physical space 76% to 100% of the scheduled class time.</b>		<b>A</b>
	<b>Distance-Hybrid</b>	Student receives instruction in a space located on-campus. <b>The instructor and student interact in the same physical space 51% to 75% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time a majority of the time.	<b>AS</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times.	<b>AA</b>
		Student receives instruction in a space located on-campus. <b>The instructor and student interact in the same physical space 50% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>FS</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>FA</b>
		Student receives instruction in a space located on-campus. <b>The instructor and student interact in the same physical space 49% to 2% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>B</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>C</b>
	<b>100% Distance</b>	Student receives instruction in a space located on-campus. <b>Apart from a face-to-face orientation or class meeting, the instructor and student do not share the same physical space during the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>D</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>E</b>
	<b>Off-Campus</b> Western Campus (2) Valley Campus (3) National Capital Region (4) Central Campus (6) Tidewater (7) Capital (8) Virtual Campus (10)	<b>Face-to-Face</b>	Student receives instruction in a space located off-campus. <b>The instructor and student interact in the same physical space 76% to 100% of the scheduled class time.</b>	
<b>Distance-Hybrid</b>		Student receives instruction in a space located off-campus. <b>The instructor and student interact in the same physical space 51% to 75% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>KS</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>KA</b>
		Student receives instruction in a space located off-campus. <b>The instructor and student interact in the same physical space 50% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>GS</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>GA</b>
		Student receives instruction in a space located off-campus. <b>The instructor and student interact in the same physical space 49% to 2% of the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>L</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>M</b>
<b>100% Distance</b>		Student receives instruction in a space located off-campus <u>or</u> entirely through electronic means with no physical presence at an off-campus location. <b>Apart from a face-to-face orientation or class meeting, the instructor and student do not share the same physical space during the scheduled class time.</b>	<b>Synchronous:</b> Instructors and students interact at the same time the majority of the time.	<b>N</b>
			<b>Asynchronous:</b> Instructors and students primarily interact at different times	<b>O</b>

\*Off-Campus site: any location not contiguous to the SCHEV approved main campus of an institution.
