Curriculum for Liberal Education Requirements

Students are responsible for completing the Curriculum for Liberal Education requirements that are in effect when they enter the university. The university requires students to complete course work from all seven areas of the Curriculum for Liberal Education.

GPA Requirements

Students must maintain an overall 2.0 GPA and a 2.0 in-major GPA. In-Major GPA is calculated on all ART courses.

Satisfactory Progress Toward Degree

The University requires every department to establish benchmarks by which their majors can demonstrate that they are making satisfactory progress toward a degree. In addition to the University requirement for satisfactory progress (See Satisfactory Progress in Academics chapter of Undergraduate Catalogue), in the case of the Creative Technologies major, these benchmarks are:

1. Students must maintain a C- or better in required Foundations courses (1204, 1404, 1604, 1214, 1414).

2. Upon having attempted 72 semester hours (including transfer, AP, advanced standing and credit by exam) a Studio Art student must have completed at least 6 credits towards this major with a 2.0 overall GPA and have a minimum 2.0 in-major GPA.

3. Students must successfully complete their BFA exhibition (ART 4894).

Prerequisite:

This check sheet contains elective courses that may have prerequisites not listed on this check sheet. Please see your advisor or consult the Undergraduate Course Catalog for more information.

Foreign Language Requirement

Students who do not successfully complete at least two units of a single foreign Language, classical language, or American Sign Language during high school must

APPROVED COMMISSION ON UNDERGRADUATE STUDIES AND POLICIES

Successfully complete six semester hours of a single college level foreign Language or classical language at the college level. Such semester hours are in addition to those normally required for graduation. Please see the undergraduate catalogue for details.

Double-CountingNo more that 50% of the graded course credits required for Minor: Art History may be double-counted by a student also enrolled in Major: Creative Technologies.
