NOTES:

    Satisfactory Progress: (notes 1 &2)

1. Students must maintain a 2.0 minimum GPA (in all courses taken at Virginia Tech) to continue in the program.
2. Students must maintain an overall 2.5 minimum in all in major courses. (This includes all courses with an ITDS pre-fix, and ARCH 1015-1016). If a student's GPA drops below a 2.5 in ITDS courses, courses with below a 2.5 must be repeated to elevate the GPA to 2.5 before continuing in the degree.
3. Foreign Language requirement: students who did not complete 2 units of a foreign language in high school must earn 6 credits of a college foreign language, such credits to be in addition to those normally required for graduation. (High school foreign language courses must be in the same language to satisfy the language requirement.)
4. This check sheet does not include any hidden prerequisites.
