## MANAGEMENT MAJOR MAJOR OPTION: MANAGEMENT CONSULTING AND ANALYTICS (MCA)

Department of Management
Bachelor of Science in Business
For students graduating in calendar year 2021

University Policy 91 requires a student to make satisfactory academic progress towards a degree, see Footnote 1, in order to remain enrolled in the institution. Students are responsible for reading and understanding Policy 91, in accordance with Pamplin Policies (<a href="http://www.pamplin.vt.edu/undergraduate-programs/">http://www.pamplin.vt.edu/undergraduate-programs/</a>).

MGT 4324 (PHIL 4324) Business and Professional

MGT 4414 Compensation & Performance Management (Pre: MGT 3304)

## GENERAL INFORMATION

A total of 125 semester hours is required for graduation.

Overall and In-Major GPA: Students must have an overall GPA of at least a 2.0 and an in-major GPA of at least a 2.0 to graduate. Courses used to calculate the in-major GPA are noted with a # (e.g., #MGT 3604).

Transferring courses: Requirements and procedures for transferring courses are available in the Undergraduate Catalog and the Pamplin College of Business form, "Authorization to Take Courses Elsewhere."

Language Requirement: Students who did not successfully complete at least two years of a single foreign, classical, or sign language during high school must successfully complete six semester hours of a single foreign, classical, or sign language at the college level. Courses taken to meet this requirement do not count toward the hours required for graduation. Please consult the Undergraduate Catalog for details.

Satisfactory Progress: All students in the Management Major having attempted 72 semester hours must maintain both an inmajor GPA of 2.0 or better, and an overall GPA of 2.0 or better.

Prerequisites: If all courses are taken in the sequence indicated on this checksheet, students will not encounter problems with prerequisites. Not all courses are offered all semesters. Some are Fall only; some are Spring only. Please check with your advisor to properly schedule your courses during the last two years.

## **FOOTNOTES**

- Satisfactory progress toward a degree: Upon having attempted 72 credit hours (students who entered Pamplin as freshmen) or 90 credit hours (students who transferred into Pamplin), a student must: (1) achieve no grade lower than a C- in MATH 1525 and 1526 (or acceptable equivalents); ACIS 1504, 2115 and 2116; BIT 2405 and 2406; ECON 2005 and 2006; and (2) achieve a minimum GPA of 2.0 in the combination of courses previously listed. Students who have not met the requirements will be notified upon reaching 72 credit hours (or 90 credit hours for transfer students) that they must complete any missing courses during the next term of enrollment to rectify any deficiencies. Failing to do so will result in a student being required to transfer to another college at Virginia Tech. This policy is strictly enforced.
- 2 Graduation requirement: A student must achieve a grade of C- or better in the business core courses (ACIS 1504, MATH 1525-1526, ACIS 2115-2116, BIT 2405-2406, ECON 2005-2006, BIT 3414, FIN 3104, MGT 3304, MKTG 3104, FIN 3054, and MGT 4394). A grade of Cor better must be earned in BIT 3414, FIN 3104, MGT 3304, and MKTG 3104 before taking MGT 4394. FIN 3054 may be taken at the same time as MGT 4394, however, the student must earn the specified grade or repeat the course and earn a C- or better before a business degree can be earned.
- 3 COMM 2004, Public Speaking, is required for all Business majors who did not take COMM 1015-1016. It may be completed in the sophomore, junior or senior year.
- Free electives must include at least one hour from the Curriculum for Liberal Education Area 6: Creativity and Aesthetic Experience. The Curriculum for Liberal Education Area 7: Critical Issues in a Global Context may be used to meet another requirement or taken as a free elective.
- 5 MGT 4334 and MGT 4344 are also requirements of this concentration.

(Updated: January 2019; master copy: Dept. of MGT 231-6353)
