

Rev. 07/19/19

Request for Access to Student Records

Instructions: The Office of the University Registrar receives access requests for review and processing. Only original signed forms submitted with an identifiable Dean or Department Head are accepted. Only the Academic Dean or a Department Head responsible for the academic program are acceptable signatories. (*Authorized signers and/or signatories that sign for HR*, *Finance, and similar functions are not acceptable as a means of approval.*)

When submitting your form be aware that you must have successfully completed the online FERPA Training for your request to be processed. If you have not, you will be asked to complete the online training in CANVAS prior to your request being approved and processed.

Additional Notes or Comments							
Security of Data: Student Records are protected under the Family Educational Rights and Privacy Act of 1974. Students may not							
view their records without appropriate identification (University ID or Driver's License). University officials with a legitimate							
educational interest may view student records. University officials may not release student record data without written permission of the student.							
Certification: You will be required to review the University's policy of release of student information during the training session.							
I certify that I understand my responsibilities as an authorized user of the Banner Student Records System.
