Questions/Comments:

None

5. Business arising From Previous Meeting

Rachel Holloway

- Notification of Student-Athlete Medical issues. The Dean of Students Office will take over notification. Sports Medicine will notify SASS, Matt Mayotte and he will notify the Dean's Office. The Associate

Dean will notify the respective faculty member(s). Similar to way normal student medical notifications work. Working to make sure they are not sharing too much information in accordance with HIPAA.

Bill Lansden

- Hokie Club Donations and the Federal Tax Bills impact. This could significantly impact giving. Industry is trying to make the change through lobbying. Going to send information that says donors should get donations in quickly.

Concussion Follow-ups

- Because we are part of the brain injury studies our student-athletes are involved in understanding the long-term effects.

Questions/Comments:

- Where does SSD? If an illness turns into a short-term disability, sports medicine would notify Matt Mayotte and Matt would continue to help facilitate the communication to SSD.
- Also, student taxes on benefits – We should look into the taxability of items beyond the scholarships.
- Look at financial impacts of the tax bill on scholarships.
- Follow up on the concussion long term effects.

6. Sports Psychologist

Dr. Gary Bennett

- Video on mental health issues in student-athletes.
 - Athletics averaged over 200 Student-Athletes that come forward for treatment.
 - 10-15% come forward for performance
 - Largest issue is time management stress
- Dr. Bennett background at VT.
 - Involved in leadership program.
 - Substance Abuse Committee Member
 - Nutrition and Performance Committee
- SMART – Sexual Misconduct and Relationship Violence Training.

Questions/Comments:

- How does the UAC work with Athletics and Sports Medicine to ask the right questions?
 1. Title IX Training
 2. Forms before pre-participation ask mental health questions
- What is the negative that causes us not to prescribe medicine for physical or mental health issues?
 1. High potential for misuse
 2. Over prescribed in general population

7. Relationship Violence Education Program for Athletics

Natalie Forbes

- One Love Program
 - Background – came from death of UVa Lacrosse Player
 - Education campus communities to prevent relationship violence.
 - 90 min film and safe zone discussion
 - Recognizing signs of abusive relationships
 - 550 colleges and universities have used it

Questions/Comments:

- What was the feedback from men?
 1. Film brings it back home to them.
- Does it address alcohol abuse?
 1. Yes, the role of alcohol in a relationship

- Student-Affairs does some of it – but would be great for every student to go through it.
 1. How do we address the Title IX reporting?
 - Addressed at the beginning of the programming
- If you have been convicted of sexual violence you will be denied at Louisville, here it would be reviewed. There is no auto denial.
 1. Students must disclose if they are arrested, that can escalate and if they do not tell VT within 10 days after admission.
- Coaches and staff informed?
 1. Memos to coaches, staff, coaches are not in the room to help facilitate it.

8. Other Items:

- Committee would like to TMP management at a future meeting.
- Next meeting January 24, 2018.

Meeting Adjourned at 5:01 pm
