  • Charge/Goals of the Commission for 2020-2021 Academic Year

Charge: To study, formulate, and recommend to University Council policies and procedures concerning on- and off-campus undergraduate academic matters.   • Policy on Re-enrollment – In order to support overall enrollment management of students, CUSP will consider creating a definition of an “active student” for undergraduates designed to encourage continuous enrollment.
  • Academic Policy Clean-up – In support of the Office of Policy and Governance’s university-wide effort to clean up policy overlap, CUSP will review academic policies in need of discontinuance and/or merger.
