Approval by the President:

Effective Date: XXXX

WHEREAS, students who complete Associate's degrees from Virginia Community Colleges get their Pathways General Education requirements at Virginia Tech waived; and

WHEREAS, the university is expecting to increase transfer enrollment in the next four years, and this modification would create increased flexibility for transfer students and students entering Virginia Tech with a completed bachelor's degree; and

WHEREAS, the proposed modification would increase opportunities for flexibility within degree programs;

THEREFORE, let it be resolved that for students enrolling at Virginia Tech seeking a second or additional bachelor's degree, a bachelor's degree at another 4-year institution is equivalent to completing Pathways general education requirements at Virginia Tech.
