Total Residential Environments and Design Controlled Electives **12 credits**

◆ Courses included in in-major GPA calculation; in-major and overall GPA of 2.0 required for graduation.

+ For satisfactory progress toward a degree, these courses must be completed by the time the student has attempted 75 hours.

A sequence of 2 foreign language courses is required for graduation unless 2 high school credits of the same foreign language or 6 transfer credit hours of foreign language have been earned. These credits do not count toward graduation. See Catalog section on "Graduation Requirements".

Prerequisites: Some courses on this checksheet may have pre-/co-requisites; please consult the University Course Catalog or check with your advisor.

In accordance with University guidelines, courses satisfying Degree Core Requirements may not be double counted to satisfy other areas of a degree such as Pathways, Major Requirements, etc.
