Hours requirement: A minimum of 21 hours is required to graduate with a Disabilities Studies (DS) minor.

GPA requirement: A GPA of 2.5 is required for the DS minor. All courses listed on this checksheet are included in the DS minor GPA calculation.

Prerequisites: Some courses listed on this checksheet have prerequisites. Be sure to consult the University Catalog and/or check with your advisor.

Double-counting: Any student pursuing multiple minor degree programs *may* use courses completed for other minor programs towards completion quotas for this minor (provided, of course, that the course in question is one listed on this checksheet as a requirement or elective).

Note - The order of courses in the checksheet is the suggested (but not required) sequence, with two electives taken after completion of HD 1004 and 1134, but before HD 4714.

Either RED 4664 or MUS 2134 can be taken to fulfill the core requirements. If both are taken, one can count toward elective hours.
