Please note: Any course substitutions requests of the courses above must be proposed in writing to the Geography advising office in 108 Major Williams. Plan on 1-2 weeks for review of requests.

Please note: A minimum GPA of 2.0 in these course is required to complete the minor.

**Steps for completing the Minor in Pathways to Sustainability**

- Declare the sustainability minor in the Geography main office in 108 Major Williams Hall and then submit this minor form to the CNRE undergraduate programs office in 138 Cheatham Hall.
- Include minor information when updating the application for degree in Hokie Spa.
- See an adviser in Geography in 108 Major Williams Hall for advice on courses during pre-registration. Some courses in the minor requirements listed above have prerequisites, so be sure to consult the University Catalog or timetable for more information.
- Students cannot graduate until they have either (1) satisfied the requirements for the minor or (2) withdrawn from the minor by notifying CNRE Academic Programs office in 138 Cheatham and revised their DARS.
