Depending on your score, those credits may possibly be used to satisfy certain requirements for the minor. Please see your French advisor as soon as possible to inquire about these substitutions.

French courses may also be used to meet Area 2 requirements. Please see the current Curriculum for Liberal Education Guide.

All courses required to complete the French minor are included in the minor GPA calculation. Students must earn a C or better in each course for it to count towards the minor.

¹ Any 3000-level or 4000-level French course may be substituted for FR 2105 or 2106, for those students entering at the 3000 level. See your advisor.
