NOTES FOR THE MINOR IN WILDLAND FIRE ECOLOGY

1. A minimum G.P.A. average of 2.0 in these courses is required to complete the minor.
2. All courses must be taken for A–F grade unless only offered P/F.
3. Minor coursework aligns with recommendations from Association for Fire Ecology (fireecology.org).

4. A minimum of 9 credit hours of the graded course credits required for the Minor in Wildland Fire Ecology (WLFE) should not be double-counted in a student's major.

STEPS FOR COMPLETING THE MINOR IN WILDLAND FIRE

1. Sign up for the minor in the Advising Center of the College of Natural Resources and Environment (138 Cheatham Hall).
2. When you request or update your DARS, include the minor so that it will check your progress on both your major and minor.
3. Once you have enrolled in the minor, you cannot graduate until you either (i) satisfy the credit requirements for the minor, or (ii) withdraw from the minor by notifying the Advising Center of the College of Natural Resources and Environment (138 Cheatham Hall) and revising your DARS.
